Who do we share your personal data with?

In the course of organising and running events, in order to fulfil the purposes listed in this privacy notice, we may share your personal data with other companies within IBERDROLA S.A. Group.

ScottishPower engage with data processors who are third parties that may collect or otherwise process personal data of event attendees as part of the professional services they provide to us e.g. photography or videography. We have agreements in place with our data processors that restrict the purposes for which they can process the personal data and we will only share personal data that is required to enable them to perform these services.

How long do we keep your personal data?

We have in place a data retention process so that personal data is not stored or processed for any longer than necessary. How long we keep personal data will depend on the purpose(s) for which it was originally collected.

Personal data which is processed for marketing and promotional purposes, will be stored for the timescales below, depending on the circumstance:

- For photography/ videography taken at a close range, consent will be sought. Personal data relating to this processing will be stored for 2 years OR until consent is withdrawn
- For photography/ videography taken of the event which may include distance range images/ recordings, personal data relating to this processing will be stored for 5 years.

International Transfer of Personal Data

Your personal data will be processed and stored within the UK or the European Economic Area (EEA). In any instances where this data is to be transferred outside of these areas, we will implement appropriate safeguards and security measures to ensure the protection of your personal data.

SPR are part of the Iberdrola Group and as such any data transfers that occur within the group are carried out in accordance with the applicable data protection laws and our Binding Corporate Rules (BCRs). The Iberdrola Group's BCRs reflect European legislation on data protection (General Data Protection Regulation) which means that all companies in our Group have to comply with the same internal rules. You can view a copy of the Iberdrola BCR's [here](#).

Personal data, including photography and videography, published to media outlets (including, but not limited to, print (e.g. news articles), digitally on websites or on our social media platforms e.g. Facebook, Instagram, LinkedIn etc.), has the potential to be viewed worldwide, not just in the United Kingdom. Some overseas countries may not provide the same level of protection to the rights of individuals as UK legislation provides.
